REMARKS

Correction of the above-referenced patent is respectfully requested to be made under 35 U.S.C. §254. The issued patent indicates inventor Douglas P. ARDUINI. However, inventor Douglas P. ARDUINI was deleted from the present application, as is clear from the records of the Office.

Specifically, the Office's attention is directed to the Preliminary Amendment filed on December 9, 2003. This included an amendment to the inventorship and a reference to the papers in the parent application in which a request to correct inventorship and the processing fee set forth in 37 CFR §1.17(i) were filed.

Accordingly, it is respectfully submitted to be clear that the error in the listing of the inventors is the fault of the Office. Accordingly, correction of the patent is requested in accordance with the accompanying Certificate.

Respectfully submitted,

James C. MCGILL
